

STRATEGIC PLANNING

If you're in need of support to develop your current and future business strategy, take your business to the next level or navigate a major transition, we're ready to partner with you to create an actionable plan. The NWCFO team is composed of seasoned professionals with executive experience and a clear track record of creating measurable value and impact. We deeply respect our business partnerships and are in it for the long term, offering exceptional tools, resources and expertise to our clients.

- Our senior coaches are pros at facilitating hands-on senior management or family strategic planning intensives and mini-retreats, virtually or in-person
- We use balanced scorecard and systemic approaches that focus on the big picture and contribute to successful monitoring and implementation of your plans
- We'll assess where you are now, clarify your desired future state, and partner with you to create a roadmap to get you there in a way that works best for your business
- Our custom-designed process may include a SWOT review, visioning, gap analysis, focus areas, goal setting, action plan development, and accountability
- You'll also receive proven tools for strategy communications, success measurement, reporting, and timeline tracking
- **Results:** business growth / expansion, a successfully implemented organizational change
- Starting at \$5,000
